Summer Newsletter, 2002

Mickey's Message

Hi Campers!

It's time to get ready for camp! PFC 2002 is going to be great! Our building crew is hard at work finishing many new additions. Wait until you see the results! A new Health Center, Nature Center, Weather Station, Woodworking Center and more!

Do you like adventure? Mountain biking? White water rafting? Every senior and hi-senior will be able to participate in Adventure trips out of camp, every week! We're starting our own outfitting company called "Adventure Base Camp". Caving, mountain biking, kayaking, canoeing... Go for it!

10th and 11th graders will be able to take an SAT prep course to get ready for school... talk about exciting!! Seriously, a little mental tuning won't hurt (or interfere with the fun).

And younger campers will have new stuff too! Junior boys love to catch frogs, salamanders and more... so at the new Nature Center we're building a special pond and waterfall full of cool, slimy stuff. Have you always dreamt of playing under the lights in a stadium? Wait until you take a shot in the new Chadwin Stadium!

But, even with all of our new building and activity, (and this year it's more than ever), the most important part of camp is still the people. It always has been that way and always will be! There is great news... almost all of our best, almost all of our best counselors and leaders will be back for 2002. And we've added some wonderful new counselors who will bring new talents, skills and personalities to the camp family.

So, finish the school year strong. Work hard. Because just around the corner is the most fun part of the year... summer at Pine Forest Camp. See ya there!

OLYMPIC Gymnastics Coach To Visit PFC

Kelli Hill has been coaching gymnastics since 1976. She was head US Gymnastic Olympic coach in 2000 and is also coaching the US Gymnastics team in 2004. Kelli was the coach of three time Olympian Dominique Dawes. Kelli was honored with the USA Gymnastics Coach of the Year Award in 1991, 1993 and 2000. She was also a coach of the World Championships Team in 1992, 1993, 1994, 1996 and 1999.

GARAGE BAND

All campers! Please know that you may bring your instruments to camp this year. There will be music periods to play and practice music. There will also be storage for you to keep instruments safe. There will be specialists at the Music Room to preside over the activities. Bands will be arranged, along with jam sessions. Any kind of music from jazz to classical, funk, rock or hip-hop will be featured. Look for more information to come!

Adventure Base Camp Tripping Program

Do you like adventure? White-water kayaking? Canoeing? Mountain Biking? Climbing? Caving?

For the new season, we have built a new “base camp” for the launching of adventure trips each week. There will be several wilderness trips offered each week for campers entering 7th-11th grade.

Campers who participate in these trips will be able to take part of a 4-day trip after the regular camping season. It will include kayaking, canoeing, and hiking three rivers, two lakes and miles of fun!

SAT Prep Course

For 11th graders and 10th graders who have taken algebra and geometry—Ok, so it’s not exactly as exciting as the “A” game, but hey, it’s good for you! Without totally ruining your summer, PFC has arranged for a one day a week, 3 hr. introduction to the SAT by the top company in the business—The Princeton Review. Return from camp with renewed friendships, happy memories and a competitive edge.

Camp Chit Chat From Florida *...a little late, better then never!*

Michael Eisen had a Bar Mitzvah and Marc Squire came from Maryland to join his Florida friends, Landon, Jared and Mike. Jackie Eisen recently got her license and has been cruising all over the place.

Florida Reunion Report from Denni Eisen. Oh, what a beautiful day! The sun was out and our Florida campers were ready to play—at Deering Bay.

Our campers leaped right into the huge rock climbing wall. While others took to our basketball shooting contest...and had a ball.

Over 100 people came to share stories of the “Best days of their lives”, they brought their relatives, friends, husbands and wives. There were alumni, new campers, and possible campers to be, the crowd wanted to know.

When everyone joins together on our Florida camp reunion day, it reminds us that summer camp days are not far away.

This reunion has become an annual event. When our camp friends gather in Florida, it is no accident. The reunion keeps us in touch with our camp friends, past, present, and future, one and all. PFC fun lasts all year long, Winter, Spring, Summer and Fall. It was great seeing all of you,

We can not wait for this summer’s fun at camp in 2002!

COMEDIAN

Know a great joke that you'd like to pass on?

Email us and we will publish it in next newsletter!

Here are some we've received recently:

- ♣ Why are basketball players never invited over for dinner?
Because they are always dripping!!
- ♣ Why does a mummy make a bad birthday gift?
He takes too long to unwrap!
- ♣ Why did the woman always hold her shoe to her ear?
Because she liked sole music!

CORNER

♣ What's the cleverest animal in Africa?
The giraffe because it's got a high level of intelligence.

♣ What do you call 100 strawberries lined up one behind the other?
A strawberry jam!
